The Savanna home design is offered in a small group of three reserve fronting allotments.

From this vantage point you'll enjoy uninterrupted views of the central reserve, secure garaging at the front of the property means the rear of the home invites light and air to flow through from the upstairs living and balcony, and the below second bedroom.

The Savanna design boasts 2 balconies, 1 living area, flexible kitchen and dining area, two car spaces (one garage) and ensuite to master bedroom.

Perfectly positioned within Findon Fields, designed for singles and young couples looking for low maintenance 'lock and leave' living near the city and the sea.
